Subject: 24-cr-80116 USA v Ryan Wesley Routh

Hi Ms. Militello and Ms. Sihvola

Before you became standby counsel, I had emailed you regarding the need for daily or expedited transcripts in USA v Ryan Wesley Routh. I did not receive an email response, but we did speak in the courtroom about the email I had sent. The discussion boiled down to most likely that the defense would not be requesting daily transcripts.

Now that you are standby counsel, I still felt the need to communicate with you the fact that the government has made a formal request and will be receiving daily transcripts in this trial. Is there a way to get this information to Mr. Routh other than regular mail? If I should not be communicating directly to you, are you able to let me know the best way to contact Mr. Routh?

Thank you for your time and attention to this.

Sincerely,

Laura Melton, RMR, CRR, FPR

Aloha,

I will not need any more transcripts.
My daughter Sara had ordered the one
transcript as Kristy suggested it; not sure if
Tina Cooper or Bonnie Oxendine may need it for
their sentencing if my statement will be
forwarded to NC. You can reach Sara at
18783799411 or SaraRouth@gmail.com.
Thanks for being so very nice and wonderful
Ryan Routh
